The International Association of Assessing Officers (IAAO) is a nonprofit educational and research association for individuals in the assessment profession and those with an interest in property valuation. These cost-effective classes offer beginners and seasoned professionals in-depth information needed to meet the challenges of an increasingly complex career. All courses are developed under the guidance of the IAAO education subcommittee as part of a curriculum on appraisal procedures and assessment administration offered throughout the world.

Course material includes a student reference manual, solution pages and final examination. IAAO offers 14 courses that are five days in length and consist of 30 instructional hours, exclusive of the final examination.
